Chuck & Betsy,

At 3:30 today, Suffolk County DA Dan Conley and 1st ADA Christina Miller are coming to the lab to meet with Commissioner Auerbach and me. Mr.. Conley's office requested (and repeatedly cancelled) this meeting a few months ago to talk about turnaround time & throughput. John knows Dan Conley from his time in Boston, so I think it will be helpful to have him at the meeting.

Issues I plan to follow-up on w/ Suffolk County are:

- Point of contact for expedited testing (I've had some back & forth w/ Ms. Miller on this)
- Not testing old marijuana cases
- Found drugs (is this still an issue or has it been resolved?)
- Resource limitations - need far exceeds capacity
- Other things?

I don't know if they will have time to come up the the lab after the meeting but if they are interested, is that a possibility @ 4:30?
